1	1.22	During EPreSC meeting, Sweden commented on the fact that a radiological emergency that would be triggered by a transport accident was not covered in the scope of DS505 and added that reference to SSG-65 could be made.		X			To clarify that emergencies triggered by a transport accident are not within the scope of DS505, the phrase 'planned or accidental' was added to paragraph 1.22. Reference to SSG-65 was also included in the same paragraph.
