		No Comment	As you are in the picture in Afghanistan till now we do not have any Nuclear Power Plant, Research Reactor and Other Nuclear Fuel Cycle Facilities. That is why I do not have any comment on Decommissioning of Nuclear Power Plants, Research Reactors and Other Nuclear Fuel Cycle Facilities (DS452) draft. After planning, Commissioning, operation and decommissioning of such facilities and reaching the stage of decommissioning we will be get more experience and will provide you with better comment that we will have noted during planning, commissioning, operation finally decommissioning of Nuclear Facilities.
